

WHO TO CONTACT

There will be times when you need to contact school. Should you have an issue or concern that relates to your child, please don't hesitate to approach the school directly. The first point of contact will usually be your child's class teacher. It's in everybody's best interests that any issues are resolved as quickly as possible. This guidance is designed to help you handle concerns quickly and confidently by directing you to the person in school who is best-placed to help. Our full complaints policy and procedure are also available on our website. This document is designed to be an 'at a glance' contact list.
